# Precision Handle

**JBC**[Product Application Map](#)[News](#)

T210 Precision Handle is perfect for **accuracy soldering jobs with medium power requirements**. Due to its size, it is able to work **conventional or small SMDs**, even under a magnifying glass.

Its ergonomic and short-distance tip-to-grip ensures greater accuracy and comfort.

T210 Precision Handle can work with DI, DDE and DME Control Units by using ADS Stand and, additionally, with CDS, CDB and CDEB stations.

T210 Precision Handle works with C210 Cartridge Range.

**Don't believe us...
